### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Black River United Way, Inc.  
Georgetown, South Carolina

#### **Opinion**

We have audited the accompanying financial statements of Black River United Way, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Black River United Way, Inc. as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Black River United Way, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Black River United Way, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Black River United Way's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Black River United Way, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**BLACK RIVER UNITED WAY, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Black River United Way, Inc. (the "Organization") was incorporated under the laws of the State of South Carolina on April 28, 1970, under the name Georgetown County United Way, Inc. In 2014 Georgetown County United Way, Inc. changed its name to Black River United Way, Inc. The purpose of Black River United Way, Inc. is to create a better quality of life for people in Georgetown and Williamsburg Counties by leveraging resources; to lead early grade reading programs for children, build family self-sufficiency, and ensure disaster resiliency through preparation and mitigation; with the goal of producing the greatest community impact.

**Basis of Accounting**

The financial statements are presented on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities. Revenues are recognized when earned; expenses are recorded as incurred.

**Financial Statement Presentation**

The financial statements of the Organization have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) Audit and Accounting Guide for Not-for-Profit Organizations (the "Guide"). (ASC) 958-205 was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

***Net Assets Without Donor Restrictions:*** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time. During the year ended December 31, 2021, there were no board designated net assets.

***Net Assets With Donor Restrictions:*** Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. During the year ended December 31, 2021, net assets with donor restrictions totaled \$62,568.

**Cash and Cash Equivalents**

The Organization considers all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued**

**Accounts receivable**

Accounts receivable represents payment from United Way Association of South Carolina that was a reimbursement from expenditures of the AmeriCorps grant in 2021. The Organization determines the allowance for uncollectible accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectible. There was no allowance for doubtful accounts recorded at December 31, 2021.

**Promises to Give**

The Organization records unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities. The Organization determines the allowance for uncollectible promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectible. At December 31, 2021 promises to give totaled \$16,668 and there was no allowance for the promises to give.

**Contributions**

In accordance with SFAS No. 116, *Accounting for Contributions Received and Contributions Made*, contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

**Deferred Revenue**

Deferred revenue represents revenues collected but not earned as of December 31, 2021. This is primarily composed of revenue for the following years Fundraising Campaign. If a program is conducted over a fiscal year end, deferred revenue is recorded for all revenue related to programs predominately conducted in the next fiscal year. For the year ended December 31, 2021 deferred revenue totaled \$53,085.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued**

**Donated Assets and Services**

Donated assets are recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of assets are recorded as unrestricted support.

A substantial number of volunteers have donated significant amounts of time to the Organization's program services and fundraising campaigns. No amounts have been recognized in the statement of activities because these activities do not meet the criteria of donated services required to be recognized, as defined by FASB ASC 958-605-25-16.

**Property and Equipment**

Property and equipment are recorded at cost. Expenditures for maintenance, repairs and minor renewals are recorded and expensed as incurred. Expenditures for major renewals and betterments are capitalized and depreciated over their estimated useful lives. Depreciation is calculated using the straight-line method over the following estimated useful lives: furniture and fixtures – 3 to 5 years and buildings – 40 years. When property and equipment are sold or otherwise disposed of, the asset and related accumulated depreciation are removed from the accounts and any remaining gain or loss is included in operations.

**Investments**

The Organization records investment purchases at cost, or if donated, at fair value on the date of donation. Investments are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

**Revenue Recognition**

Revenue is recognized when earned. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. Grant income is recognized over the grant period in relation to the expenditures incurred and services provided, as outlined in the grant documents. Cash received in excess of grant expenditures to date is recorded as deferred revenue, and an account receivable is recorded when allowable expenditures exceed cash received.

**Advertising Costs**

Advertising costs (marketing) are expensed as incurred. For the year ended December 31, 2021, \$9,626 was recorded as advertising.

**Fundraising Expenses**

Fundraising costs are expensed as incurred. For the year ended December 31, 2021, \$29,620 was allocated as fundraising expenses.

**BLACK RIVER UNITED WAY, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued**

**Functional Expenses**

A schedule of functional expenses is included within the financial statements for purposes of additional analysis. The expenses on the schedule are segregated through the use of actual expenses or by management estimate.

**Income taxes**

The Organization is exempt from federal and state income taxes for general purpose operations under Section 501(c)(3) of the Internal Revenue Code, which South Carolina adopted by reference in the South Carolina Tax Federal Conforming Amendments.

Financial Accounting Standards Board (FASB) ASC 740-10 prescribes a comprehensive model for how an organization should measure, recognize, present, and disclose in its financial statements uncertain tax positions that the Organization has taken or expects to take on a tax return. In accordance with FASB ASC 740-10, the Organization recognizes the tax benefits from uncertain tax positions only if it is more-likely-than-not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The Organization's income tax filings are subject to audit by various taxing authorities. Management believes that adoption of ASC 740-10 resulted in no significant impact to the Organization's financial statements.

**Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, the Organization's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The Organization's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

**Financial Instruments and Credit Risk**

Financial instruments that potentially expose the Organization to concentrations of credit and market risk consist primarily of cash equivalents. Cash equivalents are maintained at high-quality financial institutions and credit exposure is limited at any one institution.

**New Accounting Pronouncements**

In February 2016, the FASB established Topic 842, Leases, by issuing Accounting Standards Update (ASU) No. 2016-02, which requires lessees to recognize leases on-balance sheet and disclose key information about leasing arrangements. The new standard establishes a right-of-use model (ROU) that requires a lessee to recognize a ROU asset and lease liability on the balance sheet for all leases with a term longer than 12 months. Leases will be classified as finance or operating, with classification affecting the pattern and classification of expense recognition in the income statement.

The new standard is effective for on January 1, 2022, with early adoption permitted. The Organization expects to adopt the new standard on its effective date. The following lease will be affected by this new standard:

- Lease: Great America Copier Lease
- Terms: 5 years (8/1/2018-7/31/2023)
- Payment: \$159/month

The Organization will record a right-of-use asset and associated right-of-use liability on January 1, 2022.

In June 2018, the Financial Accounting Standards Board (the FASB) issued Accounting Standards Update (ASU) 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. This new pronouncement is not expected to have a profound impact on the way the Organization recognize revenues and report them in their financial statements.

This ASU includes specific criteria to consider when determining whether a contract or agreement should be accounted for as a contribution or as an exchange transaction. It also provides a framework for determining whether a contribution is conditional or unconditional which will impact the timing of revenue recognition. As a result of this new ASU, not-for-profit organizations will account for more grants/contracts/agreements as contributions, specifically conditional contributions.

This ASU will be applied using the modified prospective basis. This means it will be applied to agreements that are not completed as of the effective date (only applies to the unrecognized portion) and to agreements that are entered into after the effective date. No prior period results should be restated, and there should be no adjustment to net assets as a result of implementing this standard.

As a result of this new ASU, not-for-profit organizations will account for more contracts/agreements as contributions, specifically conditional contributions. Revenue recognition on conditional contributions is delayed until the conditions are met and therefore, in the year of implementation, the Organizations may see a drop in their revenue. In addition, conditional contributions must be disclosed in the footnotes. Overall, implementation of this new ASU will result in an increase of conditional contributions, a reduction of recorded unconditional promises to give, a reduction in reported temporarily restricted net assets for the Organization.

**New Accounting Pronouncements**

In May 2019, the AICPA Auditing Standards Board (ASB) issued, Statement on Auditing Standards (SAS) No. 134, Auditor Reporting and Amendments, including amendments addressing disclosures in the audit of financial statements as a final standard. SAS 134 has enhanced the auditors reporting related to going concern, expanded the description of the auditor’s responsibility, and put an emphasis on key audit matters (if applicable). The pronouncement amends AU-C section 570 and AU-C section 260 relating to the auditor’s consideration of an entity’s ability to continue as going concern and the auditors’ communication with those charged with governance. SAS 134 is effective for engagements performed in accordance with SAS for period ending on or after December 15, 2021. The Organization’s adoption of this standard does not have a material impact on the financial statements.

**NOTE 2 – LIQUIDITY**

The Organization’s financial assets available within one year of the statement of financial position date for general expenditures are as follows:

Cash and cash equivalents	\$ 330,655
Accounts receivable	53,704

**NOTE 11 – PAYROLL PROTECTION PROGRAM**

On February 10, 2021, the Organization was granted a loan from South State Bank in the amount of \$68,770 pursuant to the Payroll Protection Program (PPP) under the CARES Act, which was enacted on March 27, 2020. The loan was to be used for payroll and benefits, interest on mortgage accounts, and utilities expenses. The loan bears an interest rate of 1% annually, with no payments for six months and a two-year term. The loan and accrued interest are forgivable after eight weeks as long as the borrower uses the loan proceeds for eligible purposes, described above and maintains its payroll levels. During the year ended December 31, 2021, the loan was forgiven and recorded as grant revenue.

**NOTE 12 – SUBSEQUENT EVENTS**

Subsequent events were evaluated through the date of the auditor's report, which is the date the financial statements were available for issue. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.
